Aftek Floor Level Primer 5L

Product Images

Short Description

5L container of Aftek's universal Primer.

Description

Aftek Universal primer is a rapid drying solvent free low VOC water based acrylic primer. Supplied in a 5L container.

For use over porous and non porous substrates such as existing tiles, old paint (with the exception of oil based paints), vinyl adhesive, vinyl tiles, carpet adhesive residue, metal surfaces, sealed or burnished concrete floors.

Aftek's Universal Primer is compatible with cement based ceramic tile adhesives.

Substrates

RLA Universal Primer can be applied internally or externally over clean dry surfaces. Sub Floor Preparation: the sub floor must be free of oil, grease, wax, curing compounds, dust, old adhesive and any other contamination, which may inhibit bond.

Concrete floors must be dry in accordance with A.S.3958.1-2007.
