

Portable Floodlight, 500W, Halogen Lamp

Product Images

Short Description

With portable stand and safety grille.

Description

This waterproof portable work light comes with a safety grille to guard against knocks and accidental contact. The strong tubular steel frame provides a stable base and allows the work light to be positioned exactly where you need it. The soft touch handle is cushioned and the the weatherproof housing is positionable allowing you to direct light on the work area. Supplied with a 500W halogen globe. Safety yellow powdercoat ensures good visibility on site.
