

Cloth Tape 48 mm x 25 metre Roll, Black

Product Images

Short Description

Black cloth tape, 48 mm wide x 25-metre roll. Strong polyethylene coated cloth tape is waterproof to withstand outdoor conditions and is ideal for sealing tarps etc.

Description

This high quality black cloth tape is strong and waterproof. With a high tack it offers excellent sealing of surfaces such as tarps and plastic, however it can also be peeled cleanly away from many surfaces without leaving residue. The waterproof coating means that it is ideal for outdoor applications.

Features:

- Easy unwind
- Good abrasion resistance
- High tack for a strong seal
- Waterproof
- Flexible, easily conforms to irregular surfaces
- Carton Qty: 36 rolls
