

General Purpose Masking Tape, 48mm x 50m

Product Images

Short Description

White general purpose masking tape, measures 48mm wide x 50 metre long roll.

Description

Masking tape, general purpose 48mm wide.

This regular white masking tape is a toolbox essential, and can be used in a multitude of ways. Whether your are taping boxes, temporarily marking out floors, packaging goods or creating paint lines, this roll of masking tape is a must. The 48mm width is great for many different purposes, and the 50 metre roll length is a convenient size for the site box or tool bag.

Jaybro supplies a wide range of tapes for different purposes.
