Short Description

Choose your colour. Heavy duty shade cloth 50 x 1.8m available in Beige, Black, Blue, Green, White, Red

Description

Shade cloth is commonly used on building sites, civil, construction and roadworks projects, as well as on temporary fencing and scaffolding. It offers privacy and reduces dust and debris from exiting the building site. Shadecloth is heavy duty and available in a range of colours to match your brand or corporate colours. With blue, black, green, red, white and beige, you can choose the colour that suits your project. Our shadecloth is extra heavy duty and 50% blackout creating a well-shaded work area.
