Product Images

Short Description

Internal: 1200(l) x 600(w)mm External: 1420(l)x820(w)mm Bund size: 2 Drum

Description

Assise® Quick Bunds can be used for the temporary storage of fuel drums, machines or leaking equipment. For use in both indoor and outdoor settings, they provide quick incidental spill containment.

The Assise® Quick Bund was designed with storage in mind, easily rolled and stored, allowing you to respond to any incidental spill in minutes.

To increase longevity of your portable containment bund, consider the use of an Assise® ground mat.

- Manufactured using a 900gsm heavy duty PVC
- 75mm wall height
- Easy to fold, transport and store
