Short Description

Prepare To Stop and Reduce Speed swing sign and frame. Reflective class 1 finish on a 1200 x 900 mm aluminium sign.

Jaybro can customise swing stand signs with your company logo, contact Jaybro for pricing.

Description

Double sided swing stand sign with PREPARE TO STOP on onside and REDUCE SPEED on the other. Delivering advanced warning to oncoming motorists of changes in traffic conditions during roadworks.

This class 1 reflective road sign measures 1200 x 900mm in size and is ideal for temporary traffic control. Made from lightweight aluminium, Jaybro swing stand signs are hard wearing. A class 1 reflective finish and bold text means these signs are easy to see.

Swing signs are supplied with a 50mm clearance at the bottom of the sign. Sign frames are galvanised and powder coated.
