

DB80 T150 Concrete Barrier 2m

Product Images

Short Description

DB80 T150S: The DeltaBloc T150 is the first TL3/TL4 rated F shape barrier in the Australian and New Zealand market.

Description

DB80 T150S

The T150 Barrier incorporates male & female connections meaning no need for external parts. Unique coupling system ensures fast & efficient installation - no bolting of joining plates required.
