Product Images

Short Description

Emergency fire safety placard disc highlighting the associated extinguishers type, in this case, FOAM. These placards advise what the extinguisher is suitable for use with.

Description

Fire extinguisher poly safety sign measuring 150 x 150 mm in diameter with the wording; This extinguisher FOAM to be used for petrol, oil and other flammable liquid fires, not for electrical fires.

Fire safety markers are a visual aid to help identify the location and type of fire extinguisher.

It's important to identify the location and type of fire extinguishers within your facility. Clearly labelling your fire equipment is part of an effective emergency action plan.

Fire safety markers are easily recognised in an emergency, providing guidance and conveying important messages.
