Short Description

600 x 600mm MMS, Police Control Ahead- Corflute signs

Description

Police Control Ahead MMS sign, measuring 600 x 600mm in size and manufactured from durable water resistant Corflute.

Designed to provide road and traffic users with clear, easy to understand instructions. Multi-message signs regulate speed limits, advise of lane closures and mark out work zones.

This Temporary road work signage system allows for signs to be combined within a frame to delivery a clear message. Ideal for use on civil construction work sites. These lightweight signs are more conspicuous because of their striking combinations.

Australian Standard requires the use of retro-reflective material on signs for roadworks. With the material need of Class 1.

This particular Range (TC) are designed for use with Queensland only.
