Product Images

Short Description

50 Km/h multi-message speed disc sign for use in Queensland (QLD) only. Corflute sign, measuring 600 x 600mm and designed for use in a multi-message sign frame.

Description

Queensland speed disc multi-message temporary road sign. Featuring 50 Km/h in black text within a red circle on a white background. For use in Queensland only, designed to be displayed in a multi-message sign frame.

Manufacture from 5 mm Corflute measuring 600 x 600mm.

Multi-message signs are for temporary traffic management during roadworks. Alert motorist and pedestrians to changes in traffic conditions.

Can not find the sign you need? Contact Jaybro now and speak to one of our experts who can help. Jaybro can custom make signs to your specifications and unique applications.

Multi-message signage also referred to as MMS SIGNS are an alternative to traditional stand-alone signs. They are cheaper than standalone signage and can be used in conjunction with standalone signage.

Jaybro's road & traffic signs are designed and manufactured in Australia to Australian standards
