Product Images

Short Description

Regulatory road sign - 60 km/h speed limit Road Work sign. This sign displays an easy to recognise 60 in bold black text on a Class 1 reflective white background. The speed limit (60) is encapsulated in a red circle. Manufactured from durable, hard wearing aluminium, measuring 600 x 1200mm in size.

Description

(R4-212) 60 Km/h Regulatory road and traffic control signage. This 60km speed disc sign is designed to advise

motorists of the speed limit set in place.

Manufactured from weather resistant aluminum, this hard-wearing sign measures 600 x 1200mm.

Road work speed restrictions are commonly used in conjunction with stop/slow bats, prepare to stop signs and other regulatory signage.

Signs that displays roadwork speed limits(R4-212) must remain in place whilst the restrictions apply and for the duration needed.
