
Economy Two Way Radios - Tradies Pack

Product Images

Short Description

The powerful pair of UHF radios features a backlit LCD display, 80 UHF channels, 2 Watt maximum power and a long life lithium ion battery. An auto battery save feature enables this unit to hold charge for up to 21 hours operating time.

Description

Commercial grade, heavy duty two way radio set, offering outstanding performance in challenging

conditions. Built tough for Australian and New Zealand conditions, this tradies 2-way radio pack is perfect for the building site, for traffic management communication and other long range site communication up to 13km.

Featuring 80 channels, this 2 Watt UHF handheld pack is ideal for commercial use on smaller sites. It offers 4 different audio level settings (normal, bass, midrange and high) to provide a natural voice enhancer for sharp clarity and performance. The benefit of the smart key feature allows you toggle between Voice Enhancer, Instant Channel or Call Tone Feature to tailor to your needs.

The powerful UHF radio features a backlit LCD display, 80 UHF channels, 2 Watt maximum TX output power Hi/Lo, and a long life 1600mAh lithium ion battery. An auto battery save feature enables this unit to hold charge for up to 21 hours operating time. Plus, this two way radio operates up to 13km in line-of-sight range so you can be sure to stay in touch on the job.
