
Elite Multi Purpose Harness - Large

Product Images

Short Description

Elite Multi-Purpose Height Safety Harness, Size Large.

Description

Elite Harness - Size Large. This multi-purpose, high performance safety harness for all-rounders with the industry and trade.

With shoulder back and leg padding for shape retention and elevated comfort. Hi-strength, quick release leg and chest buckles all with padded separation for wearer comfort.

Featuring 30 kN UV stabilised webbing with retro reflectivity. Attached Suspension Trauma Strap (medically trialed) as a standard feature.

Retro reflective piping on shoulder back padding for easy identification. Belt with pole strap attachment points so harness can be used for tower worker harness.

Certified & Approved to AS/NZS 1891.1
