

Traffic Controller (Class 1257) 600 x 600mm Queensland Corflute Multi Message Sign

Product Images

Short Description

Advance warning multi-message sign, traffic controller. Featuring a black worker symbol on a Class 1 reflective orange background. This Corflute sign measures 600 x 600mm in size and is extremely easy to see.

Description

The multi-message sign system is designed as an alternative to the traditional stand-alone style of signage. This system allows for multiple signs to be displayed at once, conveying a strong message of approaching changes to traffic conditions.
