Description

NO ENTRY 5 mm Corflute 600 x 600mm temporary road and traffic sign. Featuring no entry text in white within a red circle on a white background. Multi-message signs identify and alert of temporary roadwork or changes in conditions. Design to assist traffic management during road works and maintenance. Our signs are designs to guidelines specified by state road authorities in WA.

Manufactured on Corflute with Class 1 reflective material. Ideal for use during temporary roadwork and traffic management. If you can't find the sign you're looking for or need a custom sign call 1300 885 364 now. Our friendly customer service team can help with any road & traffic inquiries.

Multi-message signs are an alternative to traditional stand-alone signs. Considered more conspicuous than stand alone signs because of the striking color combination.

MMS signage are easier and cheaper than stand alone signs due to signs construction. Use Jaybro's Multi-message signage in conjunction with stand alone signs for maximum impact.
