
40Km Ahead (MMS-ADV-3) WA Mutli Message Sign

Product Images

Short Description

40Km Ahead - advanced warning series multi-message sign. Measuring 1200 x 300mm and manufactured from 5 mm Corflute. For use Western Australia (WA) only

Description

40Km Ahead - Corflute temporary advanced warning sign measuring 600 x 600mm for use in WA.

Direct, control and guide traffic during temporary road works.

Black and White design is sure to catch the attention of motorists and reduce the risk of accidents and injury.

Multi-message signs are a substitute to traditional temporary stand-alone road & traffic signs. A multi-message sign systems allows for 3 signs to displayed within a stand for traffic management during road works.

Jaybro's manufactures multi-message signage from 5 mm Corflute. The lightweight nature of Corflute and its flexible characteristics makes it ideal for temporary signage.

Western Australia has strict regulatory guidelines for MMS-ADV multi-message signs. Jaybro provides signs that meet Australian standard for designs and usage.

Multi-message sign frames hold 2 x 600 x 600mm signs along the top, with a single 1200 x 300mm sign along the bottom.

The 600 x 600mm panels is changeable for a single 1200 x 600mm sign along the top with the single 1200 x 300mm sign panel along the bottom.

If you can't find the sign you're looking for or need a custom sign made, call 1300 885 364 now. Our friendly customer service team can help with any road & traffic inquires.
