DO NOT OVERTAKE

Short Description

Do not over take - advanced warning series multi-message sign. Measuring 1200 x 300mm and manufactured from 5 mm Corflute. For use Western Australia (WA) only

Description

Do Not Overtake - 5 mm Corflute temporary advanced warning sign measuring 1200 x 300mm .

Direct, control and warn motorists during temporary road works.

White and Black design is sure to catch the attention of road users and reduce the risk of accidents and injury.

Multi-message signs are a substitute to traditional temporary stand-alone road & traffic signs. A multi-message sign systems allows for 3 signs to displayed within a stand for traffic management during road

works.

Jaybro's manufactures multi-message signage from 5 mm Corflute. The lightweight nature of Corflute and its flexible characteristics makes it ideal for temporary signage.

Western Australia has strict regulatory guidelines for MMS-ADV multi-message signs. Jaybro provides signs that meet Australian standard for designs and usage.

Multi-message sign frames hold 2 x 600 x 600mm signs along the top, with a single 1200 x 300mm sign along the bottom.

The 600 x 600mm panels is changeable for a single 1200 x 600mm sign along the top with the single 1200 x 300mm sign panel along the bottom.

If you can't find the sign you're looking for or need a custom sign made, call 1300 885 364 now. Our friendly customer service team can help with any road & traffic inquiries.
