
40 Km/H Class 1 / Corflute 600 x 600mm

Product Images

Short Description

40 Km/H Corflute, Class 1 reflective 600 x 600mm

Description

40 Km/h speed limit disc, Corflute Class 1 reflective 600 x 600mm.

Temporary and permanent regulatory speed limit signs convey the maximum allowed speed. During roadworks, a regulatory speed sign will showing temporary speed limit will be used. Displaying the max speed in black text on a white background with the speed encapsulated in a red circle.

Speed limit reductions are set during road works to ensure the safety of contractors. Temporary speed limits are enforceable by law. The speed on the sign applies regardless of the time of day, or whether there are workers onsite or not.
