

Premium Fence Fabric 50m x 1.7m

Product Images

Short Description

1.7m x 50m Premium mesh 260gsm. This is a nicer print as it has 80% coverage and 20% air breathability. This is better for privacy from the worksite.

Description

Printed fence fabric or scrim is the ideal solution for high profile brand exposure. These panels are supplied as individual panels that suit most standard temporary fence panels. Custom printed banners improve the image of your building site, and act as an eye-catching marketing tool to promote your brand. Jaybro provides solutions for both small and large businesses, with the ability to print as little as 5 individual mesh panels, up to kilometres of mesh on a roll for large sites.
