Description

SupaBord Temporary Floor Protection gives you peace of mind when protecting your valuable floors and surfaces. Perfect for any flooring construction jobs, SupaBord Temporary Floor Protection can provide peace of mind by protecting new or old floors from spills, scratches and any potential damage during construction.

SupaBord Joint Tape is specifically designed to secure SupaBord Temporary Floor Protection seams together for up to 90 days. SupaBord Joint Tape is made from quality non-woven paper that is breathable and vapour permeable to promote even finishes in curing floors. The 90 day high tack contractor grade hot melt adhesive provides instant and secure attachment that is strong and flexible.

Supabord joining tape is supplied as a 40 metre roll, 60mm wide x 0.18mm thick. The roll weighs 350g.

Features:

- Secure SupaBord Temporary Floor Protection seams together for up to 90 days
- Quality non-woven paper
- Breathable and vapour permeable to promote even finishes in curing floors
- 90-day high tack adhesive provides an instant attachment
- Strong and flexible
- Size: 60mm wide x 40m long x 0.18mm thick
