Product Images

Short Description

25 mm ID suction hose. Sold by the metre, standard length coils also available in 20m. Commonly used for oil pumping and suction, collection of liquid waste, pumping grease pits, sewerage collection, fuels, lubricants and most chemicals.

Description

Blue PVC oil suction hose, 25 mm ID / 1" ID. Sold by the metre in continuous lengths up to 20 metres. Standard coil length is 20 metres, or Jaybro can supply a custom length of hose complete with fittings for your requirements.

Ideal for the collection of liquid waste, pumping grease pits, sewerage collection, fuels, lubricants and most chemicals. Our oil suction hose is highly flexible at low temperatures and has a mirror-smooth bore for increased pumping and pumping efficiency. Commonly used for oil pumping and suction, collection of liquid waste, pumping grease pits, sewerage collection, fuels, lubricants and most chemicals.

With a temperature range of -5 degrees Celcius to +60 degrees Celcius, it is ideal for heavy duty oil suction applications in construction, civil, transport and industrial industries.

Jaybro's oil suction hose is constructed from blue PVC reinforced with a rigid PVC helix, meaning it can stand up to the rigors of harsh weather and heavy duty use.

Plus, you can personalise your hose to suit your particular project: Jaybro stocks a wide range of hose fitting and clamps including Camlock, Bauer, Travis and Strainers claw type fittings to suit your specific needs. We can fit any hosetail kit you require.

Jaybro keeps up to 95% of our product on the shelf and in stock so we can deliver to you, fast!

- 25 mm ID / 1" ID
- 32 mm OD
- Working temperature -5 degrees Celcius +60 degrees Celcius
- Rated to working pressure of 7 bar / 100 psi
- Blue PVC reinforced helix construction
- Suitable for oil, fuel and lubricant delivery or discharge
- Hose without fittings weighs 0.41kg per metre

Additional Information

CODE	WU-HS-4800M
U.O.M	Linear Metre
Hose Type	Chemical, fuels & multipurpose
Material	PVC with a rigid helix reinforcement
Colour	Blue
Size	25 mm I.D
Size (O.D)	32 mm
Pressure (bar)	7
Pressure (psi)	100
Min Working Temp	-5 degrees Celcius
Max Working Temp	+60 degrees Celcius
