
ProChoice Prefilter Retainer Caps, Pair

Product Images

Short Description

Prefilter Retainer Caps for ProChoice Pro Cartridges. Supplied as a pair.

Description

This pair of prefilter retainer caps helps to hold Pro Choice prefilters on to the respirator cartridges. Made from plastic that retains its shape, these prefilter holders will hold your P2 prefilters securely onto the cartridge as part of your respirator setup.

- For use with the ProFilter and ProCartridges from Pro Choice Safety Gear
- Carton Qty: 200
