

End 50Km/H Class 1 / Corflute 600 x 600mm

Product Images

Short Description

End 50Km/h speed disc, Class 1 reflective Australian road sign, made from durable Corflute 600 x 600 mm

Description

Speed limit reductions are set during road works to ensure the safety of contractors. Temporary speed limits are enforceable by law. The speed on the sign applies regardless of the time of day, or whether there are workers onsite or not.
