

No Stopping Sign - Regulatory Parking Sign

Product Images

Short Description

No stopping sign with the option of no arrow, left, right and both way facing arrow. Manufactured from aluminium, measuring 450 x 225 mm.

Select your arrow style from the drop-down menu below.

Description

NO STOPPING signs are easily recognised by their bold red and white design. The words no stopping in white text with the option of an additional directional arrow facing either right, left or both ways at the bottom of

the sign.

The arrow showing drivers where the enforceable zone is – either left, right or both sides of the sign.

A no stopping sign mean you must not stop your vehicle at any point on the road or kerb unless there's a medical or other emergency.

Regulatory parking signs like no stopping or no parking signs inform motorists of regulations and rules. These rules can apply to parking and stopping areas on public and private roads including car parks.

Add further information to the sign to suit your requirements. Advise in text of the Day & time the restrictions apply and other relevant information.

Jaybro stocks and supplies a wide range of road & traffic signage. Our range covers regulatory Signage, warning, hazard and parking signs. We also sell sign brackets, single and double sided. Sign posts, post sockets, caps and wedges.
