

# Prohibition Sign - Do Not Drink 225 x 300mm SA

## Product Images

## Short Description

This highly visible 300mm x 225 mm No Food or Drink In This Area sign communicates prohibition messages easily and clearly to the public. Self-adhesive vinyl construction is strong and durable making it perfect for outdoor use.

## Description

---

This prohibition sign is constructed from heavy duty adhesive vinyl, making it the ideal choice for outdoor applications. The clear No Food or Drink in this Area message consists of text and a symbol in red and black.

It is easy to apply to any clean, smooth surface, and provides great value compared to metal or Corflute. At 300mm x 225 mm it is easily visible to workers and the public.

Jaybro carries an extensive range of prohibition signs including No Entry, No Smoking, as well as the No Food or Drink icon as a round self-adhesive decal. We can also create custom prohibition signs using any combination of text and images that you require - contact our customer service team for more information on how to order.
