

Swing Stand Sign - Pedestrians 600 x 600mm

Product Images

Short Description

Swing stand sign, pedestrians, 600 x 600mm.

Magnetic arrow purchased separately code: **12-CL2ARMG**

Description

Small and easy to handle, this compact PEDESTRIANS sign is made from metal meaning it is magnetic. This means that the user can easily add a magnetic arrow to point left or right, making it a versatile sign for pedestrian wayfinding. When coupled with its stand it is very stable and stands up to frequent outdoor use. Jaybro also stocks magnetic arrows, see Code 12-CL2ARMG.
