

Hazard Lamp With Anti-Vandal Bracket - Flashing

Product Images

Short Description

MegaBrite flashing hazard lamp. Features an anti-vandal bracket to fit steel posts or barrier board legs.
Batteries not included, requires two 6V heavy duty batteries.

Description

Hazard lamps are a very effective way to light and delineate roadwork's and other dangerous areas. Once the unit is turned on the light will come on automatically at dusk or night and will go off when daylight resumes.

- The light can be very easily attached to barrier board stands (requires 2 x 6 volt batteries)
- Dual switch for flashing or steady
- With heavy duty 'U' bolt anti-vandal bracket to fit barrier boards, sign posts etc
- Includes a key tucked inside the unit - simply remove the plastic bolt on the yellow case using a paperclip or pen, then pop the bottom off to access the battery compartment
