

Oricom Two Way Radio

Product Images

Short Description

Two way handheld CB radio with 5/1 watt power. Rugged and tough, it is perfect for communicating on site. Comes in a kit with charging pod and battery pack. Oricom ULTRA550 5 Watt Handheld UHF CB Radio.

Description

Robust and powerful, this 5/1 Watt UHF CB radio offers great performance under challenging conditions. Ideal for construction sites, infrastructure sites and mines, it is IP54 dust and splash resistant and offers fast charging with the included charger. With 80 narrow band channels this two way radio is designed for tough conditions. The maximum RF transmit power is 5 watts. To switch to low power, select low power in menu mode. A low indicator will appear in the display. This radio also offers key locking for security, and CTCSS and DCS setting options.

Features:

- 5/1 watt RF
- Rugged die cast metal chassis
- 80 Narrow band channels
- Block out any unwanted conversations

Kit includes:

- 1 x UHF CB Radio
- 1 x Charging pod with mains adaptor and 12V adaptor
- 1 x Belt Clip
- 1 x Rechargeable Li-ion battery pack (1800mAh)
- 1 x Wrist Strap
