

Steel Fence Posts 1700mm (Dropper)

Product Images

Short Description

1700mm steel star post / dropper. **Sold in increments of 10 only.**

Description

1700mm Y posts, sold in increments of 10 units. Star posts, also known as Y posts or waratahs, are ideal for civil construction and road works. These 5'6" posts are useful for demarcating areas that will be cordoned off with barrier mesh or netting, and for temporary boundary marking situations.

- Measures 1700mm high.
- Manufactured from mild steel (200 grade) for reduced chance of rusting
- Star posts sold in increments of 10 only
- Weight: approximately 29kg per pack of 10
