

10mm Staples For Rapid Staple Gun

Product Images

Short Description

5000 Pack of 10mm Staples to suit Rapid Staple Gun. Ideal for quickly fastening silt fence to timber stakes.

Description

Sterling brand staples made from strong flat wire. These staples are electro galvanised with a chisel point and packed in a unique reusable plastic box, making them ideal for the toolbox. They are perfect for installing silt fencing and sedifence using the Rapid Staple Gun available from Jaybro. These staples are made from durable wire making them ideal for other applications too, such as carpet installation, insulation and plastering, as well as commercial tacking jobs.
