

Disposable P2 Dust Mask Respirator With Valve, Box of 10

Product Images

Short Description

AS/NZS 1716:2012 Certified Disposable P2 Respirator with valve, sold as a pack of 10. P2 respirators protect against particles such as dust and swarf, but also protect against mists, fumes and vapours generated during painting and spraying. With a twin elastic adjustable head strap for comfort, this dust mask has a light weight contoured fit and a comfortable foam nose seal. Supplied as a box of 10.

Description

This simple yet effective P2 respirator provides the ultimate in comfort and value for money. With a smooth finish for all day comfort against the face, this P2 dust mask provides protection against nuisance dusts. P2 respirators protect against particles such as dust and swarf, but also protect against mists, fumes and vapours generated during painting and spraying.
