

Sterling Knife Blade Replacement Heavy Duty 100 pk

Product Images

Short Description

Sterling Replacement Knife Blades, 100 piece pack

Description

Ideal for demanding applications where a strong, rigid blade is required, these Sterling English made blades are extremely break resistant.

Made in England, these Sterling trimming blades are made from high carbon alloy steel, precision ground and sharpened to a razor edge that provides maximum sharpness and durability. A popular universal trimming blade, the carbon alloy steel is long lasting and tough. Sold as a pack of 100, suits most trimming knives.
