

280L Portable Spill Response Kit

Product Images

Short Description

Portable 280L spill kit. Ideal for medium to large spills in workshops, storage areas, production and manufacturing areas and more. Includes socks, floor sweep, pads, waste bags and PPE and disposal gear.

Description

Ensure your workplace is prepped and ready to manage chemical and solvent spills in the workplace. Ideal for medium to large spills in workshops, storage areas, production and manufacturing areas and more, this high quality Sorbex 280L general purpose spill kit will contain and absorb up to 280 litres. It is suitable for spill cleanup of hydrocarbons such as oils, fuels and degreasers and non-aggressive water-based liquids like paints and coolants. All packed in a convenient and mobile bright yellow portable bin, this Sorbex 280 litre spill clean up kit ensures efficient containment and management of hazardous spills.

Jaybro also has Refill spill kits available for this product.

Kit includes:

- 10 x 1m socks
- 2 x Large floor sweep
- 40 x 450mm x 500mm pads
- 5 x Heavy duty contaminated waste bags
- 3 x Pair chemical nitrile gloves
- 3 x Safety specs
- 6 x Disposable masks
- 2 x Coveralls
- 1 x Dust pan & brush set
