

Safety Step With Rubber Stoppers

Product Images

Short Description

Industrial safety step up with rubber feet, rated to 150kg. Weighs 3.3kg.

Description

Ensure you are safe on site with this handy portable step. The highly visible yellow plastic step gives an extra 370 mm of height enabling workers to reach items that are just above head height. Ideal for use in factories, warehouses, on site, in offices and more, it provides a stable and safe platform.

- High grip, anti-slip treads with rubber stoppers
- High grip tape for safety
- Hi-vis yellow plastic
- Max Load Rating: 150kg
- Size: 510mm (W) x 370mm (H)
- Weight: 3.3kg
