Short Description

Argyle High L/Up Ankle Boot Padded Collar

Description

This Steel Blue work boot is part of the Argyle range. A 150 mm men's derby style, lace-up Ankle Boot with padded collar and tongue.

A popular choice for Bricklayers, Glaziers and Sand Blasters. This boot offers 100% comfortability with a TPU outsole heat resistant to 130 degrees. A 200 joule safety steel toe cap increase safety for the wearer.

The Argyle range of safety boots have anti-static properties. Premium water resistant leather available adds to the comfort and lifespan.

This boot meets international safety Standards including AZ/NZS 22103.

Steel Blue Argyle Boot Information

Leather

Steel Blue boots are made from high quality, long-lasting leather, including Nubuck, Full-Grain, TECTuff®, Suede and more.

Steel Toe Cap

Made from hardened steel for premium toe protection.

TPU Outsole

Steel Blue boots come standard with a durable outsole with heat resistance to 130°C.

Anti-Static

Prevents the build-up of static electricity within your body by dissipating it through the sole.

Water Resistant

A special tanning process treatment means all Steel Blue boots are water resistant. This increase the comfort and lifespan of the boot

Lace Up

A classic fastening for snug, well-fitting work boots.
