

Disposable SMS Non-Woven Coverall - 2XL

Product Images

Short Description

Disposable SMS coverall size 2XL. Need help figuring out which coveralls you need? Take a look at our article on [how to choose disposable coveralls](#). **Limited stock available.**

Description

This disposable SMS coverall is made from non-woven material, and is water resistant, lint free, lightweight and breathable. These coveralls are great for working with waste, cleaning, hazardous spray and fibreglass. They provide asbestos protection when combined with a range of other PPE such as respirators and safety goggles.

Easy to put on and remove, the coveralls are roomy and feature a two way zipper. Available in sizes L to 3XL, they have a hood for complete protection.

- Water resistant, lint free & lightweight
- Breathable, disposable coverall made from SMS non-woven material.
- Easy to put on and remove
- Two way zipper
