## Product Images

## Short Description

---

Sun Brim With Detachable Neck Flap - Orange. Hard hat sold separately.

## Description

---

Durable lightweight sun brim with a detachable neck flap, this attachable brim holds its shape well even with repeated use. The polypropylene fabric makes this sun hat brim waterproof and hard wearing. A special fitting design ensures this brim fits well onto almost any hard hat and the addition of a neck flap gives wide coverage and protects from harmful UV rays.
