

THORZT Electrolyte Energy Drink Concentrate Orange, Makes 20L

Product Images

Short Description

THORZT Energy Drink 600ml Concentrate makes 20L of Orange flavoured drink.

Description

Ensure your workers are well hydrated and reduce the risk of heat stress with THORZT Electrolyte energy drink concentrate.

With a refreshing orange flavour, THORZT contains the optimal mix of electrolytes, branch chain amino acids (BCAAs) and low GI carbohydrates for sustained energy release without the sugar rush. THORZT is gluten and caffeine free, and contains about half the sugar of regular sports drinks. The THORZT drink range is Australian made for extreme conditions, and includes electrolyte powders and liquid concentrates. Each 600ml bottle makes 20 litres of electrolyte drink.

- Low in sugar
- Caffeine and gluten free
- Size: 600ml
- Flavour: Orange
- Carton Qty: 10
