## Product Images

## Short Description

Hydrate smart with THORZT: 99% sugar-free, caffeine & gluten-free electrolyte shots in 5 flavors for peak performance.

## Description

---

Keep your workforce properly hydrated and minimize the risk of heat stress with THORZT Solo Shots. Simply mix a 3g sachet with 600ml of water for a refreshing drink that's ready to enjoy.

THORZT offers a range of benefits, including:

- 99% sugar-free
- Caffeine and gluten-free
- Proprietary electrolyte formula featuring Sodium, Potassium, and Magnesium
- Exclusive blend of B and C group vitamins, L-Glutamine, and essential Branch Chain Amino Acids (BCAA)
- Available in five delightful flavors: Blue Lemonade, Lemon Lime, Orange, Tropical, and Wild Berry
- Perfect for sports, personal, and industrial use
- Each 3g solo shot sachet makes 600ml
- Convenient portion control packaging, available in vend-ready and retail packs

THORZT Solo Shots are designed to meet your hydration needs, whether you're in the field, at the gym, or simply on the go.
