

2.5L Drink Cooler Jug

Product Images

Short Description

Drink cooler jug, 2.5 litre capacity with drink spout

Description

Keep your workers hydrated with this handy 2.5L drink cooler from Jaybro. A 2.5 litre capacity is great for all day use and the insulated body keeps your water or electrolyte mix nice and cool. Complete with a drink spout, this rugged plastic thermos jug makes it easy to dispense drinks. A carry handle makes it easy to move around on site. Plus, the generous sized twist top lid makes it easy to fill or to mix up electrolyte powders directly in the cooler.
