Dangerous Goods Cabinet | Flammable Liquids & Chemicals 250L

Product Images

Short Description

Powder-coated yellow dangerous goods cabinet with the capacity to store 250L (or 9 x 20L cans). Includes 3 adjustable shelves.

Description

Ensure your dangerous goods are stored in a safe and compliant manner. This Standards Approved 250L dangerous goods cabinet is constructed from sturdy steel. With three strong shelves it can fit all your hazardous or flammable chemicals, keeping them contained and out of harms way.

At 1760mm high this cabinet is ideal for the storage of cans and containers of solvents, thinners, petrol, kerosene, etc. Bright powder-coated yellow finish makes it instantly recognisable in the workshop or factory.

Features:

- 3 adjustable shelves
- 150 mm sump in the bottom
- Measures 1760 mm H x 1100 mm W x 465 mm D
- Weighs 160 kg
- Capacity: 250L (9 x 20L)
