Description

Deluxe floor stands are very stable and are made from heavy duty polyethylene to last under the harshest conditions. This blank floor sign is ready for you to add your own customised message or attach signs either temporarily or permanently. The bright yellow poly construction is easily visible, and at 670mm high it is designed to grab the attention of workers or pedestrians. This plain yellow floor stand sign measures 205mm wide at the top, 290mm wide at the base, and from end to end when open it measures 345mm. Stands 670mm high
