Short Description

Paper towel dispenser for rolls of towel. Measures 200 mm wide in durable white metal.

Description

This paper towel dispenser is designed for roll towel, fitting rolls up to 180 mm wide. The dispenser itself measures 200 mm wide and is made from white powdercoated metal for strength and longevity. The lockable top helps prevent theft and prevents the dispenser from accidentally falling open. A serrated edge makes it easy to tear off the length of towel required, helping to prevent wastage. This towel holder is easy to install and re-load.
