

60L Garbage Bin With Lid

Product Images

Short Description

60 L rubbish bin recommended for the disposal of general garbage and waste around the office, workshop or site. This hard wearing moulded plastic bin is ideal for handling rubbish and waste on site, in the office, around the warehouse.

Description

Heavy duty 60 litre capacity moulded plastic garbage bin with lid. Weather resistant design allows for this bin to be used both indoors and outdoors. The lid is held securely in place by durable clips that also act as handles for carrying.

This bin is ideal for lunchrooms, site offices, restrooms and in the yard for general rubbish. The lightweight design means this bin is easy transported, stored and emptied.
