

Mop Bucket with Wringer

Product Images

Short Description

Plastic mop bucket features a non-slip foot pedal and tough castors to provide greater mobility when cleaning.

Description

This tough blue plastic wringer mop bucket has a 16L capacity. With an easy to use design with castors for good mobility, it enables quick and easy cleaning of your workshop, site office, kitchen or bathroom. Ensure spills are cleaned up quickly and efficiently by having a mop and wringer bucket on hand in common areas that spills could occur.

Ideal for heavy duty cleaning, this plastic bucket is lightweight and hygienic and has a non slip foot pedal and rugged metal wringer arms for quick and effective cleaning.
