

No.24 Cotton Mop Head Only

Product Images

Short Description

No.24 cotton mop - replacement head only. Thick fibres absorb water and spills easily. Sold without a handle.

Description

This cotton fibre mop head is thick and absorbent and fits most standard broom handles. Keep your floors clean on site with a regular mopping, and when your mop gets worn out or very dirty you can replace the head only with this replacement mop head.

Jaybro supplies a wide range of cleaning, washroom and lunchroom equipment for building sites and construction projects. For more information contact our friendly team or browse our website.
