

# Liquid Soap Dispenser 1L

## Product Images

## Short Description

---

Refillable 1 litre soap dispenser with wall mount.

## Description

---

This liquid soap dispenser is ideal for the site washroom, ensuring cleanliness and hygiene after a hard day's work. With a smooth antibacterial surface to help prevent the spread of germs, this white wall mounted soap dispenser helps you ensure your team stays healthy at work. Refillable with 1L soft soap packs, the Puregiene dispenser has a clear window to see when the soap level is getting low and needs replacement. It has replaceable parts making it an economical choice (pump and locking key are replaceable). This wall mounted soap dispenser is easy to refill and has a low profile ergonomic design with push pump dispensing.

- White wall mount soap dispenser
- Refillable
- 1 litre capacity
- Easily mounts to the wall
- Cleaner, more hygienic and more practical than soap bars
- Sealed refill bottles reduce the risk of cross-contamination when loading into the dispenser
- Takes Puregiene foam soap packs
- 1L foam soap packs give approximately 1500 pumps per pack
