

# Deb Suprega Hand Cleaner Dispenser - 4L

## Product Images

## Short Description

---

4 litre closed cartridge Deb wall mounted hand cleaner dispenser

## Description

---

The Deb Stoko Suprega dispenser is designed and manufactured to the highest standards. A robust wall-mounted 4L dispenser, this product meets the needs of any workplace.

The key benefits of the Deb Stoko range of dispensing systems include their robust construction, and that they are manufactured using approved high impact and chemically resistant plastics (such as PET, ABS, PC/PBT, PP, etc). This ensures a long life and low maintenance performance, even in busy workplace environments. Secure wall mounted fixtures prevent theft of the whole unit. Also, the cabinet covers are lockable by key to help stop unauthorised access.
