

Vehicle Bracket for 4.5kg Fire Extinguisher

Product Images

Short Description

Bracket to suit 4.5kg extinguisher. Compact size fits in most vehicles.

Description

Vehicle bracket suitable for 4.5kg extinguisher. This heavy duty fire extinguisher vehicle bracket suits extinguishers up to 4.5 kg in size. This bracket has been designed to secure your fire extinguisher to a vehicle, preventing it moving and becoming inaccessible in the event of an emergency, and preventing it from becoming a projectile in the event of a motor accident.

Ensure your team are prepared in the event of a fire. Did you know that work vehicles are considered a 'workplace' by many workplace health and safety authorities, and as such they need to be equipped with fire fighting equipment? Ensure your staff are covered by installing a compact vehicle sized fire extinguisher and

keeping it secure in a bracket such as this fire extinguisher vehicle bracket.
